

## Travel Certificate

You should print this Certificate off and ask your GP to complete the details in plenty of time for you to travel.

The holder of this Certificate suffers from a life threatening allergy which could result in an anaphylactic reaction.

He/she needs to carry an adrenaline auto-injector for immediate emergency self-treatment. For this purpose, it is essential for the patient to carry their auto-injector device with him/her at all times including whilst on an aircraft.

The **EpiPen**<sup>®</sup> (adrenaline) Auto-Injector or **EpiPen**<sup>®</sup> **Jr** (adrenaline) Auto-Injector does not endanger other passengers or flight personnel.

Please be aware of this traveller's health risk.

### Reporting of side effects

If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in the package leaflet.

You can also report side effects directly via the Yellow Card Scheme at [www.mhra.gov.uk/yellowcard](http://www.mhra.gov.uk/yellowcard). By reporting side effects you can help provide more information on the safety of this medicine.

### Adverse events should be reported

Reporting forms and information can be found at [www.mhra.gov.uk/yellowcard](http://www.mhra.gov.uk/yellowcard). Adverse events should also be reported to Mylan by phone: 0800 121 8267 or by email: [ukpharmacovigilance@mylan.com](mailto:ukpharmacovigilance@mylan.com)
